Dear Astrid,

Re: Strategic Environmental Assessment (SEA) Screening Opinion for Draft Greening Supplementary Planning Document (SPD)

Thank you for consulting us on the Strategic Environmental Assessment (SEA) Screening Opinion for the Draft Greening Supplementary Planning Document. We received this consultation on 4 July 2018.

After reviewing the screening report and the area's environmental constraints we have **no comments** on your conclusion that a SEA is not required.

If you require any further information please do not hesitate to contact me.

Yours sincerely,

Miss Alison Finlay
