

# Appendix A: Existing Local Plan policies and review status

The table on the following pages sets out the original Core Strategy and Extant UDP policies sorted in order of the Core Strategy / Local Plan chapters.

The table identifies whether the original Core Strategy policies have already been subject to the recent Core Strategy Reviews or not. The recent Core Strategy Reviews were:

- Pubs and Local Character Review – adopted October 2013;
- Miscellaneous Matters Review – adopted December 2014;
- Conservation and Design Review – adopted December 2014; and
- Basements Review – adopted January 2015.

Where policies have not been subject to the recent Core Strategy Reviews, the Council proposes that those policies are reviewed as part of this Local Plan Partial Review. Where this is the case, the table identifies which 'section' of the Local Plan Partial Review Issues and Options document is relevant. The policies currently proposed to be reviewed as part of the Local Plan Partial Review are reproduced in full in **Appendix B** of this document.
